Directory of Section, Commission and Working Group Members

Available online: www.ishs.org/directory/ or www.ishs.org/science/

You are invited to join those Sections and Commissions that reflect your professional interests and involvements in horticultural science and industry. By doing so you are sending a message to the world about your areas of expertise. Membership of each Section and Commission involves no further fees but provides you with the chance to receive relevant newsletters, receive notices of meetings, have the opportunity to stand for and to vote for the Chair and Vice-Chair positions, and to get information about the relevant Working Group activities that take place throughout the year.

How to update your address information ?

- Use the online membership services at www.ishs.org/members to manage your ISHS membership account
Login to update your address, join sections – commissions – working groups, take part in mailing lists, etc.

More details on the use of ISHS online services.

Although most parts of the ISHS website www.ishs.org do not require you to login, other pages including membership services, the online ISHS membership directory or article downloads (www.actahort.org or www.pubhort.org) are password protected.

Your key to all ISHS online services, including Acta Horticulturae online, is your personal email address.

When asked to login, your **user name** is your email address (alternatively use your ISHS membership number).

Remember that you won't be able to use online services unless your email address is included in the ISHS membership database !

To login you also need an ISHS **password**. If you did not yet receive an ISHS password in the past, or you forgot your ISHS password, go to the login screen, fill out your user name, tick the appropriate box and press "login" to instantly receive your passwords in your mailbox (make sure your spam filter is not rejecting email from any @ishs.org or @actahort.org address).

- If your email address is not yet included in the ISHS database but you would like to use the online services:
 - send an email to info@ishs.org mentioning your ISHS membership number, asking to include your email address in the ISHS membership database so that you can start using ISHS online services
 - send your new address and/or other corrections (do not forget to mention your ISHS membership number) to:
ISHS, PO Box 500, 3001 Leuven 1, Belgium.
