## GENERAL INFORMATION

### Location

THAILAND is located on the continent of Southeast Asia, bordered with Myanmar and Laos in the north, Laos and Cambodia in the northeast and the east, and Malaysia in the south. It covers an area of 513,000 sq. km., stretching 1,650 km. from north to south and 800 km. across from east to west. The population is approximately 67 million with about 10 million in Bangkok, the capital city.

CHANTHABURI is famous for its abundance of tropical fruits and as a center for gem mining. The eastern part of Chanthaburi is also blessed with rich, verdant forests and scenic waterfalls. The Chanthaburi River flows through the provincial capital. During this symposium, World Durian Fair will be held at the Triangular Na Choei Ground, 1.5-2 km from the hotel. The fair features contests of fruit decorated floats, beauty queens, popular tropical fruits of Chanthaburi such as rambutan, durian, mangosteen, Rakam and *Salacca zalacca* and varieties of santol.

### Climate and clothing

The climate is tropical with high humidity. The precipitation ranges between 900-4,000 mm per annum. The rainy season starts from June to October, cool season from December to February and summer from March to May. The average day temperature is about 30°C whilst the average night temperature is about 20°C. Very light clothing is all that is necessary.

### Language

THAI is the national language. Many people can speak English.

### Money exchange

Money exchange is available at the airports, banks and hotels, and Thai Baht is available from ATM machine. The exchange rate at present is approximately Baht 32- to US\$ 1.

### Passport and visa

Visitors to Thailand must be in possession of a valid national passport or other internationally recognized travel documents. Citizens from most countries of the world can enter Thailand as tourists for up to 15 days without a visa. Those wishing to stay longer than 15 days should obtain visas from Thai embassies or consulate offices in their own countries or countries nearest them. However, please check with the Thai Embassy or Thai Consulate in your country to be sure whether or not a visa is required to enter Thailand before your departure. You may also check requirement for visas on the internet.

### Health regulation

No actual vaccination is presently required.

### Insurance

The Symposium fee does not include insurance of participants against accidents, sickness or loss of personal property. All participants are advised to make the necessary arrangements before departure from their own countries.

### Transportation

All foreign participants may enter Thailand through Suvarnabhumi or Don Muang International Airports. Transportation service will be arranged for overseas participants from Suvarnabhumi or Don Muang International Airport to the Symposium venue. Travelling from Bangkok on the air-conditioned vehicles is also convenient for participants. Chanthaburi can also be reached comfortably both day and night by deluxe air-conditioned coaches from Bangkok.

### Accommodation

Maneechan Hotel, the venue of the Symposium, has been selected to accommodate participants and those accompanying them. The rooms are spacious, tastefully decorated and equipped with modern appliances. All rooms are comfortable with air-conditioning, private bathroom, wall-to-wall carpeting, television, etc.

Special discount room rates have been negotiated for the participants and delegates of the Symposium. All participants are requested to make their own reservation directly with the hotel at [www.maneechan.com/](http://www.maneechan.com/)
